PUNTING ON THE AVON

Refined, relaxing, romantic - punting on the beautiful Avon River is an iconic Christchurch attraction. The waters of the Avon River ripple by as you sit back on deep cushioned seats in a classic punt while your Edwardian punter poles you quietly on a 30 minute ride past trailing willows, woodlands, leafy banks and the sights of the garden city of Christchurch.

CHRISTCHURCH GONDOLA

Welcome aboard the Christchurch Gondola lifting you gently 1500' to the top of the Port Hills for 360° views across the cityscape of Christchurch, over the Canterbury Plains to the Southern Alps, across Banks Peninsula, Lake Ellesmere and Lyttelton Harbour and the beaches of the Pacific Ocean to the Kaikoura Peninsula. Enjoy quality shopping at the 'Shop at the Top' and journey back in time on the automated Time Tunnel ride to experience the history of Christchurch and Canterbury.

LYTTELTON HARBOUR

Travel through New Zealand's longest road tunnel carved through the crater wall of the extinct volcanic caldera that forms Lyttelton Harbour. Emerge into the historic port town of Lyttelton where the early settlers to Canterbury first landed and where many buildings still exist from the early colonial period including the fascinating heritage Timeball Station from which early captains re-set their ships' chronometers.

SUMNER SEASIDE VILLAGE

Your tour traverses the rugged harbour side of the crater wall, across Evans Pass and down into the delightful seaside village of Sumner with its boutique shops, cafes and restaurants across from the sandy beach. Cave Rock, a striking eroded lava extrusion can be explored at low tide or clamber up the steps for a great view of this popular swimming and surfing coastline. Time is available here for lunch*.

See outstanding heritage buildings, parks, Avon River, unique shopping precincts, historic Cathedral Square, Worcester Boulevard and Arts Centre while our tram drivers provide an entertaining commentary.
